

Barolo Shearwater *Puffinus baroli* (0, 0, 1). **RV**

(Breeds Azores and Canaries).

Published record:

2004

One: Ramore Head, Portrush, County Antrim, 25th August (Anthony McGeehan, Nicky Lynne, Ivan Quail, Gerard McGeehan, John Scovell). *Milne & McAdams* 2008a.

The polytypic Macaronesian Shearwater was previously assigned two subspecies, i.e. *baroli* and *boydi*. Both these forms are now raised to full species and known as Barolo and Boyd's Shearwaters respectively.

Barolo is not a person, rather it refers to the Italian estate of Carlo Tancredi Falletti and Juliette Victurine Colbert di Maulévrier, the Marchese and Marchesa di Barolo.
