

**Laughing Dove** *Spilopelia senegalensis* (0, 0, 0). **RV**

(Breeds Africa, Middle East and Indian Sub-continent. Spreading north into Europe).

**Published record:**

**2004**

One: Gracehill, Ballymena, County Antrim, 16th May to 1st August (David Steele *et al.*). *NIBA* 2006.

We do not include this record in our totals, although its worth keeping on open mind due to the continuing expansion of this species in to Europe.
